Prayer

God of all power, I ask You to remove all trauma triggers from my mind and bring me a sense of peace and comfort through the ministry of the Holy Spirit. Jesus, help me to feel your love and to accept your forgiveness toward my abusers for the effects of trauma faced throughout my life. God, I seek your presence and protection from future attacks; Jesus I accept your love, help me to comfort others with the comfort that you provide to me, and Holy Spirit empower and enable me to live a more Christ-like life so that I can be a vessel fit for your use.
